

7th February 2019

Dear Parent/ Guardian,

I am taking this opportunity to write to inform you that your son/ daughter is sitting his/ her second Year 11 Science assessment on Friday 15th February. It is essential that your child is present for these as failure to do so results in them missing 10% of their Double Award Science. There is no opportunity to re-sit this, as stated by the WJEC examination board.

To aid their revision programme towards the practical assessment and the written examinations in May and June, the department are putting on the following revision sessions for learners:

| Teacher | Room | Day | Time |
|--------------------|------|---|------------------------|
| TJH (BIOLOGY) | 3.1 | Tuesday (Year 10) | 3.00-4.00 |
| RHP (CHEMISTRY) | 3.2 | Wednesday Year 10 | 3.00-4.00 |
| EJ (CHEMISTRY) | 3.3 | Thursday (Year 10) Friday (Year 11) | 3.00-4.00 3.00-4.00 |
| MRH (CHEMISTRY) | 3.4 | Monday (Year 10) Thursday (Year 11) | 3.00-4.00 3.00-4.00 |
| DGM (PHYSICS) | 3.5 | Wednesday (Year 10) Friday - (Year 11) | 3.00-4.00 3.00-4.00 |
| TH (BIOLOGY) | 3.6 | Monday (Year 10) | 3.00-4.00 |
| AD (BIOLOGY) | 3.7 | Monday (Year 11) | 3.00-4.00 |

If you wish to discuss any of the above further, or have any other issues concerning your son/ daughter, please do not hesitate to contact me via the school phone number.

May I take this opportunity to thank you for your continued support.

Yours faithfully,
Mrs E Jones

Head of Science
