

Please be aware that there will be limited parking at Rhyl High School and Leisure Centre for the next few weeks, due to work being carried out on the overflow car park.

Please can parents and visitors to the school be reminded to only use the designated parking spaces available and not park in (without a blue badge) or obstruct the disabled parking bays.

Additional parking is available at Rhyl Football Club. We would like to encourage everyone to avoid the need of driving into the school car park between 8.30am – 9am and 2.30pm – 3pm.

Any persons found to be parking inappropriately will be asked to move their vehicle ASAP.

Please help us to ensure the safety of everyone at Rhyl High School.
