Introduction

It is the aim of Rhyl High School to make the examination experience as stress-free and successful as possible for all candidates.

Hopefully, this booklet will prove informative and helpful for both students and parents. Please read it carefully, so that you are aware of the examination regulations and the procedures to follow in the event of any problems occurring.

The Awarding Bodies (or Examination Boards) set down strict criteria which **must** be followed for the conduct of examinations and Rhyl High School is required to follow them precisely. Therefore, you should pay particular attention to the **INFORMATION for CANDIDATES** that is printed on the following pages.

Some of the questions you may have are answered at the back of this booklet. **If there is anything you do not understand or have any questions that have not been addressed, PLEASE ASK.**

If you have any queries or need help or advice at any time before, during or after the examinations please contact the Examinations Officer:
Mrs Tracey Thomas on 01745 343533 ext *242

**Information for candidates: Coursework assessments/ GCSE Controlled Assessments
+ Non-Examination Assessments**

This document tells you about some things that you must and must not do when you are completing your work.

When you submit your work for marking, the awarding body will normally require you to sign an authentication statement confirming that you have read and followed these regulations.

If there is anything that you do not understand, you must ask your teacher or lecturer.

In some subjects you will have an opportunity to do some independent research into a topic.

The research you do may involve looking for information in published sources such as textbooks, encyclopaedias, journals, TV, radio and on the internet.

Using information from published sources (including the internet) as the basis for your assignment is a good way to demonstrate your knowledge and understanding of a subject. You must take care how you use this material though - you cannot copy it and claim it as your own work.

The regulations state that:

The work which you submit for assessment must be your own;

You must not copy from someone else or allow another candidate to copy from you.

When producing a piece of work, if you use the same wording as a published source you must place quotation marks around the passage and state where it came from. This is called "referencing".

You must make sure that you give detailed references for everything in your work which is not in your own words. A reference from a printed book or journal should show the name of the author, the year of publication and the page number, for example: Morrison, 2000, pg.29.

For material taken from the internet, your reference should show the date when the material was downloaded and must show the precise web page, not the search engine used to locate it. This can be copied from the address line. For example: <http://www.geocases2.co.uk/rural1.htm> downloaded 5 February 2018.

You may be required to include a bibliography at the end of your piece of written work. Your teacher or lecturer will tell you whether a bibliography is necessary. Where required, your bibliography must list the full details of publications you have used in your research, even where these are not directly referred to, for example: Morrison, A. (2000) 'Mary, Queen of Scots', London: Weston Press.

If you copy the words or ideas of others and don't show your sources in references and a bibliography, this will be considered as cheating.

Preparing your work – good practice

If you receive help and guidance from someone other than your teacher, you must tell your teacher who will then record the nature of the assistance given to you.

If you worked as part of a group on an assignment, for example undertaking field research, you must each write up your own account of the assignment. Even if the data you have is the same, **you must** describe in your own words how that data was obtained and **you must independently draw your own conclusions from the data.**

You must meet the deadlines that your teacher gives you. Remember - your teachers are there to guide you. Although they cannot give you direct assistance, they can help you to sort out any problems before it is too late.

Take care of your work and keep it safe. Do not leave it lying around where your classmates can find it. You must always keep your work secure and confidential whilst you are preparing it; do not share it with your classmates. If it is stored on the computer network, keep your password secure. Collect all copies from the printer and destroy those you do not need.

Do not be tempted to use essays from on-line essay banks — this is cheating. Electronic tools used by awarding bodies can detect this sort of copying.

You must not write inappropriate, offensive or obscene material.

Plagiarism

Plagiarism involves taking someone else's words, thoughts or ideas and trying to pass them off as your own. **It is a form of cheating which is taken very seriously.**

Do not think you will not be caught; there are many ways to detect plagiarism.

- Markers can spot changes in the style of writing and use of language.
- Markers are highly experienced subject specialists who are very familiar with work on the topic concerned — they may have read or seen the source you are using (or even marked the essay you have copied from!).
- Internet search engines and specialised computer software can be used to match phrases or pieces of text with original sources and to detect changes in the grammar and style of writing or punctuation.

Penalties for breaking the regulations

If your work is submitted and it is discovered that you have broken the regulations, one of the following penalties will be applied:

- the piece of work will be awarded zero marks;
- you will be disqualified from that component for the examination series in question;
- you will be disqualified from the whole subject for that examination series;
- you will be disqualified from all subjects and barred from entering again for a period of time.

The awarding body will decide which penalty is appropriate.

REMEMBER – IT'S YOUR QUALIFICATION SO IT NEEDS TO BE YOUR OWN WORK

Warning to Candidates

1. You **must** be on time for all your examinations.
2. You **must not** become involved in any unfair or dishonest practice in any part of the examination.
3. You **must not**:
 - sit an examination in the name of another candidate;
 - have in your possession any unauthorised material or equipment which might give you an unfair advantage.
4. **Possession of a mobile phone** or other unauthorised material **is breaking the rules**, even if you do not intend to use it, and you will be subject to penalty and possible disqualification.
5. You **must not** talk to, attempt to communicate with or disturb other candidates once you have entered the examination room.
6. You **must** follow the instructions of the invigilator.
7. If you are in any doubt speak to the invigilator.

The Warning to Candidates **must be displayed in a prominent place outside each examination room. This may be a hard copy A3 paper version or an image of the poster projected onto a wall or screen for all candidates to see.**

Before the Examinations

Provisional Timetable

- All candidates receive a Provisional Timetable from school indicating the subjects they are being entered for and the levels of entry, where applicable. Please check that these are correct. Some subjects only have one tier of entry and others may have Foundation, Intermediate or Higher tier. You must check everything on your provisional timetable very carefully. Particularly check that all personal details (date of birth, spelling of names etc.) are accurate as these will appear on certificates and it may be difficult to change them once certificates are awarded.
- **Only legal names will be used to make entries and will be shown on certificates.**

Examination Boards

- The school uses the following Examination Boards:
 - **WJEC** – English, Maths, Science, Art, French, Geography, Home Economics-Textiles, History, Media, Music, PE, RE, Spanish, Welsh, Welsh Baccalaureate
 - **AQA** – Law, Graphics, Product Design
 - **OCR** – ICT Cambridge Nationals, Spanish NVQ, Welsh NVQ
 - **Edexcel BTEC Courses** – Business Studies, Childcare, Hospitality & Catering, Performing Arts, Sport, Travel & Tourism.

Candidate Name

- Candidates are entered under the Legal name format of First Name + Surname, e.g. Joseph Bloggs

Candidate Number

- Each candidate has a four digit candidate number. This number is the number you will enter on examination papers. It will appear next to your name on seating plans and examination registers. **Your candidate number is on the front of this booklet. PLEASE LEARN IT.**

UCI

- In addition to a candidate number, each candidate must have a Unique Candidate Identifier. This consists of 12 numbers and 1 letter, which is shown on the top of timetables (and on the front of this booklet). This number will usually begin with the Centre Number (68159) unless you have transferred from another school that had already issued your UCI. Your UCI is used for administration purposes and it is not necessary for you to remember it.

Timetables

- **Attached (back page) will be your final examination timetable.** This shows your own specific examinations with details of date, time and duration of the exam, venue and **seat number**. Check it carefully. If you think something is wrong see Mrs Tracey Thomas in the Examinations Office immediately.
- If candidates have a clash, where two subjects are timetabled at the same time, the school will make special arrangements for these candidates only. You must check your individual timetable where altered times will appear and see Mrs Tracey Thomas if you are unsure what to do. If you think there is a clash on your timetable that has not been resolved, please see Mrs Tracey Thomas immediately.

Contact Numbers

- Please ensure that the school has at least two up-to-date contact numbers for you.

Equipment

- Make sure you have all the correct equipment before your examinations. Check the regulations in the **INFORMATION FOR CANDIDATES** and the information on the following pages. Mrs Latham, the Librarian sells see-through pencil cases with basic equipment for £1.50. Calculators should have no outer cases/ lids or covers attached. These should be removed.

During the Examinations

Examination Regulations

- A copy of the **INFORMATION FOR CANDIDATES**, which is issued jointly by all examining boards, is printed at the front of this booklet (page 3). All candidates must read this carefully and note that to break any of the examination rules or regulations could lead to disqualification from all subjects. The school **MUST** report any breach of regulations to the Awarding Body.

Attendance at Examinations

- **Candidates are responsible for checking their own timetable** and arriving at school on the correct day and time, properly dressed and equipped. Candidates must arrive 15 minutes prior to the start time of their examination. Please wait quietly outside your exam room until you are invited to enter by the Examination Invigilators.
- Candidates who arrive late for an examination within a specified time may still be admitted if the school is satisfied that the security of the examination paper has not been breached. If special consideration applies then you must speak to Mrs Tracey Thomas (see Absence from Examinations).
- Full school uniform **MUST** be worn by all students attending school for examinations. If the temperatures are too high you may remove your sweatshirt once seated. Be sensible and dress for the weather conditions, even in the summer the Sports Hall, especially, can be chilly.
- All items of equipment, pens, pencils, mathematical instruments, etc. should be visible to the invigilators at all times.
You must either use a see-through pencil case or clear plastic bag.
- Pens must be **BLACK** ink ballpoint (this is because some question papers are now marked electronically and any other ink does not scan into the computers making it impossible to mark your answer paper). No erasers or correction pens are allowed.
- For Mathematics and Science GCSE exams, students should make sure their calculators conform to the examination regulations. If in doubt check with your teacher. Remove any covers or instructions and make sure batteries are new.
- Please make sure that any watch/mobile phone alarms are turned off.
- **Do Not** attempt to communicate with or distract other candidates.
- Examination regulations are very strict regarding items that may be taken into the examination room (see FAQs at the end of this booklet). If you break these rules you will be disqualified from the examination.
- **Mobile phones MUST NOT BE BROUGHT INTO THE EXAMINATION ROOM.** If a mobile phone (or any other type of electronic communication or storage device) is found in your possession during an examination (even if it is turned off) it will be taken from you and a report made to the appropriate Exam Board. No exceptions can be made.
- No food is allowed in the examination rooms. You may take water into the examination room, however, it must be in a clear plastic bottle, with a spill proof cap **and have all labels removed.**
- Please **DO NOT** write on examination desks. This is regarded as vandalism and you will be asked to pay for any damage.

- **DO NOT** draw graffiti or write offensive comments on examination papers – if you do the Examination Board may refuse to accept your paper.
- Listen carefully to instructions and notices read out by the invigilators – there may be amendments to the exam paper that you need to know about.
- Check you have the correct question paper – check the subject, paper and tier of entry.
- Read all instructions carefully and number your answers clearly.
- Candidates must stay in the examination room for the duration of the examination. You will not be allowed to leave an examination room early. If you have finished the paper use any time remaining to check over your answers and that you have completed your details correctly.
- At the end of the examination all work must be handed in – remember to cross out any rough work. If you have used more than one answer book or loose sheets of paper, place in the correct order inside your answer booklet. **Remember to write your candidate details on any extra answer sheets used.**
- Invigilators will collect your exam papers before you leave the room. Absolute silence must be maintained during this time. **Remember you are still under examination conditions until you have left the room.**
- Question papers, answer booklets and additional paper must **NOT** be taken from the exam room.
- If the Fire Alarm sounds during an examination, the Invigilators will tell you what to do. Don't panic. If you have to evacuate the room, you will be asked to leave in **SILENCE** and in the order in which you are sitting. You will be escorted to a designated assembly point. Leave everything on your desk. You must not attempt to communicate with anyone else during the evacuation. When you return to the exam room do not start writing until the invigilator tells you to. You will be allowed the full working time for the examination and a report will be sent to the Awarding Body detailing the incident.

Invigilators

- The school employs external Invigilators to conduct the examinations. Students are expected to behave in a respectful manner towards all invigilators and follow their instructions at all times.
- Subject specialist teachers will only be present at the start of an examination only and with prior approval of the Head of Centre, Mrs C Armitstead. They can check that you have been given the correct question paper, however, they cannot see the paper or tell you which questions they think you should attempt.
- Invigilators are in the examination rooms to supervise the conduct of the examination. They will distribute and collect the examination papers, tell candidates when to start and finish the examination, hand out extra writing paper if required, and deal with any problems that occur during the examination. For example, if a candidate is feeling ill. If you need to speak to an invigilator, raise your hand and they will come to you.
- Please note that invigilators cannot discuss the examination paper with you or explain the questions.
- Students who are disruptive or behave in an unacceptable manner will be removed from the examination room by invigilators and members of the Senior Leadership Team.

Absence from Examinations

- If you experience difficulties during the examination period (e.g. illness, injury, and personal problems) please inform the school at the earliest possible point so we can help or advise you.
- Only in 'exceptional circumstances' are candidates allowed special consideration for absence from any part of an examination. It is essential that medical or other appropriate evidence is obtained on the day by the candidate/parent and given to Mrs Tracey Thomas without delay in all cases where an application is to be made for special consideration. A self-certificate form (JCQ/ME form 14) can be obtained from Mrs Tracey Thomas.
- For the award of a grade by Special Consideration, where a student misses part of an examination through illness or personal misfortune, a minimum of 35% of the examination (including coursework) must be completed.
- Parents and candidates are reminded that the school will require full payment of entry fees should a candidate fail to attend an examination without good reason and without informing the school. Failure to pay may result in your examination results being withheld.
- Please note that misreading the timetable will not be accepted as a satisfactory explanation of absence.

Notification of Summer Results

- Summer GCSE Results will be available for collection on:

**Thursday 23rd August 2018
From 9.00am to 3.00pm**

- If you wish any other person (including family members) to collect your results on your behalf, you must give your written authorisation to school **before** results day.
- If you wish your results to be mailed, you will need to provide us with a stamped addressed envelope **before** the end of your exams.
- No results will be given out by telephone under any circumstances.

Post Results

- If you need post results advice, staff will be available on Results day.

Certificates

- Certificates will be available for collection from the Examinations Office from November 2018. Certificates will not be given to anyone other than the candidate, without the candidate's written authorisation.
- Rhyl High School is only obligated to keep certificates for a period of 12 months after issue. If candidates do not collect their certificates within this time (or if they lose their certificates) they can only be replaced by direct application to the appropriate examination boards. This will require proof of identity (such as a birth certificate) and a substantial fee per examination board. You are therefore urged to collect your certificates, as soon as possible, and to keep them safe.

FREQUENTLY ASKED QUESTIONS

Q. What do I do if there's a clash on my timetable?

- The school will re-schedule papers internally (on the same day) where there is a clash of subjects. Candidates will normally sit one paper then have a break during which they will be supervised and must not have any communication with other candidates. They will then sit the second subject paper. Correct times should be on your individual candidate timetable. It may be necessary for you to bring a packed lunch if you have exams in the morning and afternoon as you will have to remain in isolation until both examinations are completed. If in doubt consult the Examinations Officer.

Q. What do I do if I think I have the wrong paper?

- Invigilators will ask you to check before the exam starts. If you think something is wrong put your hand up and tell the invigilator immediately.

Q. What do I do if I forget my Candidate Number?

- Candidate Numbers are printed on seating plans, which are displayed outside the examination rooms, and on attendance registers. Invigilators will be able to help you find your number. Your Candidate Number is also printed on your individual timetable.

Q. What do I do if I forget the School Centre Number?

- The Centre Number is: **68159**. It will be clearly displayed in the examination rooms. It is also printed on your individual timetable.

Q. What do I do if I have an accident or am ill before the exam?

- Inform the school at the earliest possible point, so we can help or advise you. In the case of an accident that means you are unable to write it may be possible to provide you with a scribe to write your answers, but we will need as much prior notice as possible. The same examinations rules apply in these cases.
- You will need to obtain medical evidence (from your GP or hospital) if you wish the school to make an appeal for Special Consideration on your behalf (see below).

Q. What is an Appeal for Special Consideration?

- Special Consideration is an adjustment to the marks or grades of a candidate who is eligible for consideration. The allowance for Special Consideration is from 0% (consideration given but addition of marks considered inappropriate) to 5% (reserved for exceptional cases). Parents should be aware that any adjustment is likely to be small and no feedback is ever provided. Candidates will only be eligible for Special Consideration if they have been fully prepared and covered the whole course but performance in the examination or in the production of course work is affected by adverse circumstances beyond their control. Examples of such circumstances may be illness, accident or injury, bereavement, domestic crisis. The Examinations Officer must be informed immediately, so that the necessary paperwork can be completed (within 7 days of the last exam session for each subject) and the candidate will be required to provide evidence to support such an application.

Q. What do I do if I feel ill during the exam?

- Put your hand up and an invigilator will assist you. You should inform an invigilator if you feel ill before or during an exam and you feel this may affect your performance.

Q. If I'm late can I still sit the examination?

- Provided you are not more than 1 hour late (or arrive before the end of the examination in cases where the exam is less than an hour long), it **may** still be possible for you to sit the examination. You should get to school as quickly as possible and report to Reception. A member of staff will escort you to the exam room. You **must not enter** an examination room without permission after an examination has begun. It may not be possible to allow you any extra time if you start the examination late.

- You should also be aware that if you start the exam more than 30 minutes after the published starting time, the school must inform the Exam Board and it is possible that the Board may decide not to accept your work. Please ensure that you allow enough time to get to school, so that if you are delayed (e.g. through transport problems) you will still arrive on time.

Q. If I miss the examination can I take it on another day?

- **NO!** Timetables are regulated by the Exam Boards and you **MUST** attend on the given date and time.

Q. Do I have to wear school uniform?

- Yes, Normal school regulations apply to uniform, hair, jewellery, make-up etc.

Q. What equipment should I bring for my exams?

- For all exams you should bring at least 2 pens (black ink only).
- For Science modules you need 2 HB pencils and a calculator may be required.
- For Mathematics -pencils **MUST** be used for diagrams and a calculator will be required for one of the papers.
- **MOBILE PHONES MAY NOT BE USED AS CALCULATORS**
- For most exams you may need a 30cm ruler (marked with cm and mm), pencil sharpener, eraser, compasses, protractor, coloured pencil crayons (not gel pens).
- You are responsible for providing your own equipment for examinations. You must not attempt to borrow equipment from another candidate during the examination. Mrs Latham sells equipment in the Library should you need to purchase any before your examination.

Q. What items are not allowed into the examination room?

- Only material that is listed on question papers is permitted in the examination room and students who are found to have any material with them that is not allowed will be reported to the appropriate Examinations Board. In such circumstances, a student would normally be disqualified from the paper or the subject concerned.
- Bags and coats and any other items not permitted under examination regulations must be left at the back of the room. **DO NOT** bring any valuables into school with you when you attend for an examination. **This includes mobile phones.**
- No food is allowed in the exam room.
- The only drink allowed in the exam room is water, which must be in a clear plastic bottle with no labels on.

Q. Why can't I bring my mobile phone into the exam room?

- Being in possession of a mobile phone (or any other electronic communication device e.g. iPod, iWatch, Smartwatches, headphones) is regarded as cheating and is subject to severe penalties from the Awarding Bodies – **EVEN IF IT IS SWITCHED OFF!**

The minimum penalties are as follows:

- Device found on you and turned ON – disqualification for the entire subject award. NOT allowed to sit any other examination at Rhyl High School.
- Device found on you and turned OFF – disqualification from the specific paper you are sitting at the time.
- Phone rings during the exam, wherever it is in the room – even if it is in your bag at the back of the room, the exam board must be informed and you may be disqualified from all papers for the subject (including any already taken).

- If there is an emergency that requires you to bring a mobile phone to school, you must ensure that all alarms are disabled, the phone is switched off and handed into an invigilator before you take your seat. **DO NOT** leave the phone in your bag or in a pocket. You are responsible for collecting your phone at the end of the examination and the school accepts no responsibility for loss or damage.

Q. How do I know how long the exam is?

- The length of the examination is shown in minutes on your individual timetable under the heading 'length of exam'. Invigilators will tell you when to start and finish the exam. They will write the finish time of the exam on a board or large piece of paper fixed to the wall at the front of the exam room. There will be a clock in all the examination rooms.

Q. Can I leave the exam early?

- NO. It is not the school's policy to allow candidates to leave the exam room early, as this is disruptive to other candidates. A candidate may not leave the examination's room without the permission of the invigilators.

Q. What do I do if the fire alarm goes off?

- The invigilators will tell you what to do. DO NOT panic and do not move until told to do so. If you have to evacuate the room leave everything on your desk and leave the room in silence. You must not attempt to communicate with any other candidates during the evacuation.

Q. Can I go to the toilet during the exam?

- Only if it is absolutely necessary. You will be escorted by an invigilator and will not be allowed any extra time. You may only go to the toilet once the exam has been running for 1 hour. It is strongly advised that you use the toilet before the examination starts.

Q. If I have more than one exam on a day can I get lunch at school?

- Students who have examinations in both the morning and afternoon sessions may obtain lunch from the canteen in the usual way or bring a packed lunch.

Q. Why do I need to check the details on the Provisional Timetable?

- The details on your provisional timetable will be used when certificates are printed. If the name or date of birth on your certificates does not match your birth certificate it could cause you problems if you are asked to show your certificates to a potential employer, for college or university at some time in the future. You should also check that the subjects and tiers of entry you are entered for are correct and that no subjects are missing.

Q. What are Modular exams?

- This means taking written examinations on sections of the syllabus at intervals throughout the course as well as final examinations in the summer of Year 11. It is possible to retake modules if advised to do so by your subject teacher. A fee maybe payable for any re-sits. It is important that students complete all the requisite modules, as marks will contribute towards their final grade at GCSE. Modular exams are still external examinations and must be treated as importantly as your final exam at the end of Year 11.

Q. I am entitled to extra time – how will this affect the way I take my exams?

- Some students receive an allowance of 25% extra time. You will be informed of this before your first examination. Where possible such candidates will be seated together to minimize disturbance from other candidates who finish earlier. Invigilators will be aware of students entitled to extra-time. A blue card will be placed on your desk for you to let the invigilator know whether or not you require the extra time. The extra time is also shown on your individual timetable.
