Re: HPV Vaccinations – Wednesday 11th April 2018

Dear Parent/Carer,

You will have recently received notification regarding vaccinations that your child will be having on:

Wednesday 11th April

This will be taking place during the day, in the Drama Studio, and your child will be informed by their Form Tutor and Class Teacher of when they will be sent for their vaccination.

To help speed up the process we're requesting that students wear a short sleeved shirt or a t-shirt/vest top under their shirt on the day of their vaccinations.

Students will be requested to remove their blazer, jumper, shirt (if not short sleeved) and tie whilst waiting for their vaccination.

We would like your child's cooperation whilst waiting to have their vaccination and would appreciate it if you can inform your child of the above instructions.

Yours faithfully,

Mrs C Armitstead
Headteacher
