

Year 8 and 9 Options Evening – 22.2.2018

Dear Parents/Carers,

From the 2018/19 academic year, our Year 9 and Year 10 students will be starting their GCSE courses. As you will be aware in November 2017, students indicated subjects they would be interested in taking for their optional subjects next year. This Thursday is the start of the process for students to officially pick their options for next year.

There will be a presentation that covers the whole process and goes through key details and information for both students and parents to consider. In addition to this there will be an opportunity to visit subject areas and discuss the courses with teachers.

The schedule for Thursday is as follows;

Year 8 Students

17:00	Parent Registration	
17:05 – 17:40	Year 8 Options Presentation	Hall
17:40 – 19:00	Opportunity to visit subject areas and talk to teachers.	Department Areas
