

Please be aware that due to the ongoing work being carried out in the leisure centre car park, parking spaces will be limited on the night of the Yr11 ROA evening (Friday 7th June).

Please can we advise that Rhyl Football Club car park is used.

Where possible, please avoid driving into the school and leisure centre car parks. If this is unavoidable, please park considerately within the car parks for Rhyl High School and the leisure centre and not block or obstruct disabled bays or access doors/routes, including pedestrian walkways.

Please also be mindful of our near neighbours and do not park in or obstruct their driveways.

We look forward to welcoming you to the ROA evening to celebrate your child's time at Rhyl High School.
