

How to get the mySchoolApp for Rhyl High School

The easiest way, is to use your phone/tablet. Use the App Store (Apple) or the Google Play Store (Android) and search for “mySchoolApp”.

It's the one below with the multicoloured app tile;

When you have downloaded the “mySchoolApp” to your device there are just a few things you need to do, to ensure you can get the most from the app.

Login into the school

On the start screen enter our school name, Rhyl High School. Once you have entered a few letters, the app will give you some suggestions. Tap on Rhyl High School and you're logged in. You only have to do this once, the mySchoolApp will remember the school automatically in future.

Registration

When you have selected the school you will be required to enter your details. This is a once only form and enables the app to identify you to our school.

The school app administrator will be able to see your name, email and phone number. We also request you create a PIN, which is private. This will be used if you submit an absence notification via the app, ensuring only you can use this feature.

Settings

From the app menu, select Settings.

In this area you can

- update your details
- add additional schools (which use mySchoolApp)

Push Notifications

Push notifications enable the school to notify you of new messages or events without the need for you to actually open the app.

It is recommended that you choose to accept push notifications from mySchoolApp, to ensure that you receive important communications, such as a school closure due to snow or any other emergencies we may post on here.
