Dear Parents/Carers:

### **Re: Uniform**

Thank you for the continued support from the majority of Parents/Carers in ensuring that your child attends school in the correct school uniform. This is a very important part of being a member of the Rhyl High School community.

There have been some issues recently with incorrect uniform and footwear being worn for school. Pastoral Staff will be contacting home where uniform is not as agreed to ensure that any issues are rectified. We would appreciate your support in meeting the established expectations in terms of uniform.
