

We'd like to remind all parents, visitors and staff to Rhyl High School to:

Please refrain from driving into the school car park at peak times (8.20am – 8.45am & 2.30pm – 3pm).

Please only park in the designated parking bays within the school or leisure center car parks.

**DO NOT** park in or behind the disabled bays, on the paved areas or within the Ysgol Tir Morfa Taxi/Minibus area. Persons seen to be parking in (without a bluebadge) or blocking the disabled bays will be asked to move.

Please be considerate of our near neighbors, who are on the direct roads or path links (Larkmount Road/ Pendyffryn Road/Grange Road) and **do not** park in front of their driveways.

Can we also ask that parents remind their children of road safety and how they should be making use of appropriate zebra crossings and pedestrian footpaths around the school. We have received a number of complaints about children running/cycling across the roads and not paying attention to traffic.
